**Discus Throw Men - Final**  
**Discus Throw Men Final**

**Item: 1**

The second attempt of the Juho SUOMINEN in the qualification group A was wrongly measured. The result communicated to the athlete was significantly lower than the actual result. Based on camera footage, the video referee decided to award a substitute trial to the athlete. At this point of time, neither the athlete nor his coach had any chance to see the pictures from that attempt. After reviewing all available evidence including the attempt of the last qualifying athlete, it is clear that the result of the attempt in question would be sufficient to qualify for the final. Thus, the appeal is upheld and Juho SUOMINEN is advanced to the final by decision of the Jury of Appeal. So, there will be 13 athletes in the final.
